... extra burden.

The departmental accounting module functions very much like the
 general ledger module. You can define up to 30 departments using a
 four-digit **department code**. You can
associate each **department**
code with a general ledger income or expense
account (**balance** sheet
accounts can't be used). However, all entries to
 departmental accounting must be generated by other 2001 modules. Entries
 can only be manually entered using the...
